An act to add Sections 833.2 and 13517.7 to the Penal Code, relating to arrests.

LEGISLATIVE COUNSEL'S DIGEST

AB 1942, as amended, Nava. Arrests.

Existing law generally regulates the conditions of arrest.

This bill would express the intent of the Legislature regarding the development of protocols by law enforcement and other entities, pertaining to arresting caretaker parents or guardians of minors, to ensure the safety and well-being of the minor. The bill would also state that the Legislature encourages the Department of Justice to apply for a federal grant to train local law enforcement agencies and assist them in developing protocols pertaining to child safety when a caretaker parent or guardian is arrested.

Existing law establishes the Commission on Peace Officer Standards and Training and charges it with various responsibilities.

This bill would require the commission to develop guidelines and training for use by state and local law enforcement officers to address

issues related to child safety when a caretaker parent or guardian is arrested, as specified.

~~By imposing additional training requirements on local law enforcement agencies, this bill would impose a state-mandated local program.~~

~~The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.~~

~~This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.~~

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: ~~yes~~ no.
